

## MCS Referral Program

*1 John 4:11 Beloved, if God so loved us, we ought also to love one another.*

In an effort to “Educate with a Higher Purpose”, to show our sincere gratitude to the families who promote MCS to their friends and families and to increase enrollment this coming 2009-10 school year, we are presenting a new MCS Referral Program. Please take a moment to review this information and prayerfully consider whom you could invite to be a part of this wonderful ministry of Grace Baptist Church in Middletown Ohio. **This year we are offering \$650 to the referring family or church, per new student enrolled at MCS.** The credit is contingent on the new full-time K-12 student's enrollment for the entire school year, who listed you as the referring contact on their application. The tuition credit will be issued the fourth month of the students enrollment at MCS. The student must be enrolled on a full time basis.

The referral credit can be issued in the following ways:.

1. **Donate to an MCS students' tuition:** \* Donate the credit to the very family that you referred or to a family in need of tuition assistance. You have not only blessed a family by leading them to MCS, but you are helping them or another family with their tuition balance.
2. **Lower your Payment** by readjusting your FACTS tuition balance with the referral credit.
3. **Refund:** You will receive a check from MCS during the third month of the referred student's enrollment.
4. **Donate to the MCS Foundation:** \* MCS in conjunction with the MCS Foundation, can provide tuition assistance to families in need. Eligibility is determined by our MCS Finance Office and the FACTS program. Families who receive financial aid qualify academically and spiritually, but need help financially. We believe Christian education should be available to all families, whose students meet or exceed our enrollment standards, regardless of family income.
5. **Donate to your church** \*for their work in promoting and financially supporting our school. Partnerships developed with churches and pastors are a key ingredient to the success of Christian education at MCS.
6. **Donate to your Pastor:** \* Designate your credit amount to help send the children or your Pastor, Youth Pastor and/or Music Directors' children to MCS. As you may know most individuals in the ministry, including Christian educators, are paid a meager salary. Thus this program will allow for those individuals to participate, increase their meager salary and promote quality Christian education in our community.
7. **Donate to, "Eagle Quest"** \* fundraising campaign which will involve completion and equipping of the high school, elementary music and life skills rooms. The finished high school, Elementary Music and Life Skills Room will be equipped with Science, computer and foreign language labs, music prep room, offices and other associated areas. The finished building will house all students K-12 in one state-of-the-art facility. When completed our new facility will provide for an enrollment of 960 students.

(other request may be considered for approval by the MCS Superintendent).

**MCS Referral Form**

Please submit this completed and signed form for each referred student to the school office for processing. The maximum credit issued for a referring family will be \$1920.00, consisting of three referred students.
