

Dear Parents:

We will need for you and everyone on your emergency list to choose a four-digit number. We recommend the last four digits of your social security number. Each person on your list will have a different number.

When we bring this up on the computer, we will know when your child was signed in/out and who signed he/she in/out.

We hope this will be faster and more convenient for you.

Please put all persons and their number on the form below and return it as soon as possible.

Thank you.

God Bless You,

Becky Parks
