

Middletown Christian Schools

Information Sheet

Middletown Christian Schools was **established** in 1972 as a ministry of Grace Baptist Church. Under the spiritual and dynamic leadership of our pastor Dr. Roger D. Green, the church continues to grow (average attendance over 1,100) and expand its various ministries in the community and surrounding areas. Established over 50 years ago, Grace Baptist provides a stable foundation for Middletown Christian Schools. Our school is part of a balanced program geared to meeting the needs of the entire family.

We are **located** in Middletown, Ohio, situated in the beautiful rolling hills and the Miami River Valley of Southwestern Ohio. Our school is strategically located on Interstate 75, midway between the metropolitan areas of Dayton and Cincinnati. Sixteen (16) universities and colleges are located within a 50-mile radius of our campus, including a branch of Miami University in Middletown.

Our current **enrollment** is 594 students. One hundred and fifty one (150) of those are in our Preschool, 297 in the Elementary, and 147 in our High School.

Our school uses three **facilities** located on the property of Grace Baptist Church. A preschool facility completed in 2000, with ten classrooms, a large indoor play area, kitchen and office complex provides loving care for three through five year olds. Kindergarten through Eighth Grade is housed in our new 6.2 million dollar educational building, which includes a music facility, stage, two libraries and 19 classrooms. The High School shares the Grace Baptist Church building with a fully equipped computer laboratory, science laboratory, and athletic complex. One hundred and four (104) acres of property provide area for two playgrounds, athletic fields, and picturesque picnic grounds.

Our **classroom structure** is conventional graded classrooms from Kindergarten through Twelfth (12) Grade. We also have our Preschool and Daycare. Our current curriculum and textbooks include A Beka Book Publications, Bob Jones Press, and Saxon Math.

The average length of service at Middletown Christian Schools of our present **faculty** is over 9 _ years. A low turnover rate adds continuity and stability to our quality Christian school program. We believe it is essential to have a dedicated faculty who think of teaching as a ministry rather than just a job. We currently have 16 teachers in the Preschool and Daycare, with 35 teachers in the Elementary, Junior High, and High School. Some of the Christian colleges our faculty have graduated from include Arlington Baptist College, Baptist Bible College, Bob Jones University, Cedarville College, Hyles Anderson College, Maranatha Baptist College, Northland Baptist College, Temple Baptist College, Tennessee Temple University, and Trinity Baptist College. Several of our faculty also graduated from very reputable public universities.
