

1ST-8TH GRADE SUPPLY LISTS AND "SUPPLY PACKS" (School Year 2008-2009)

MCS wants to help you with two options in purchasing the classroom supplies needed for your student. Listed on this page you will find the complete supply list for 1st through 8th grades. You may purchase these items on your own, or you may purchase a "Supply Pack" through our school store. You will notice that not all supply items are sold in the supply packs. Tissues, paper towels and other items specific to each classroom will need to be purchased separately. If you wish to purchase your student's supplies through the school store, simply fill out the order form below and return it, along with payment, to the school office. Your student's "Supply Pack" will look like a present and be waiting on their desk the first day of school.
